

August 19, 1935 Peach Springs
 Dearest P: - Probably Arizona
 Will have no time to write
 this evening as we will be
 with Nancy. Boulder Dam was
 very interesting, but this D.N.
 covered 100 miles of horrible
 road - Govt is making a new
 road on this side of the river.
 Said to be the most expensive
 road in the U.S. Caved out of
 mountainsides - Are now having
 lunch at this S.F. Indian
 Reservation! Love
